CONYERS

About Us

Conyers has advised on commercial and residential real estate for over 75 years and our team in the British Virgin Islands can provide expert advice on sophisticated structuring, cross-border investment and evolving market demands.

Conyers guides lenders, borrowers, sponsors and investors on the full spectrum of real estate finance transactions involving BVI entities, from single-asset financings to complex, multi-jurisdictional portfolios. Drawing on decades of experience and deep knowledge of BVI corporate, finance and security regimes, our team delivers pragmatic, commercially focused solutions that support transactions across global real estate markets.

London Real Estate Deals

Global Expertise

Conyers is an award-winning offshore law firm advising on the laws of Bermuda, the British Virgin Islands and the Cayman Islands.

Through our global network of offices, including real-time capability in the prominent financial markets of London, Hong Kong and Singapore, we advise the world’s leading corporations, banks and financial institutions.

Conyers has superb lawyers who are a real pleasure to work with. They are terrific at identifying issues and solving them. They are also very quick, and their advice represents real value for money.

The team are technically excellent. The lawyers there are problem solvers.
